

## Headlines

Another busy week at Collingwood draws to a close and it has been really inspiring to see the learning and collaboration that has been taking place. The Year 5 and 6 netball team took part in their first tournament of this year at Seaton House. They worked really well together and showed a great team spirit in all their matches.

Our Year 6 tour guides were super ambassadors for the school once again in yesterday's Open Morning as we showed a number of families what an impressive place of learning and care we have here at Collingwood.

On Wednesday, we held our PTA meeting and it was lovely to welcome Iryn Ainabe and Tizzy Ispani as the new co-chairs. There are lots of exciting projects in the pipeline and I know the team will be counting on all parental support for some of the forthcoming events. Please do sign up soon to help wherever you can for the Christmas Fair.

Today, we watched a very moving assembly from 6A as they presented on the subject of Remembrance - the centenary of the World War I armistice is this Sunday so this is a very pertinent topic. Later on in the morning, Years 1 to 6 walked down to the War Memorial in Carshalton, where we observed a silence. Anjola played her trumpet beautifully to 'The Last Post' and some of the 6A pupils read out very evocative passages from the stories they had written in class depicting scenes in the WWI trenches.

This coming Sunday, Collingwood School will be represented by our Head Boy and Head Girl, Harry and Lara, who will lay a wreath from the school at the same Carshalton Memorial and join the community for the 11am silence. We feel it is important that our pupils know the importance of these special days and we are proud to be playing our part in the commemorations.

Year 6 are co-ordinating our efforts for *Children in Need* this year. Morning lessons will be adapted to reflect the fundraising theme and the afternoon will be a carousel of fun activities masterminded by the older pupils. Children can wear mufti (spots if they have any!) in return for a minimum £1 donation. Each class will be sticking their donations on a Pudsey cut out and there is a competition for the class to raise the most!

Special thanks to Amelia W, Anjola and Phoebe for all their hard work planning this event!

## Netball News

On the 6th November the Collingwood netball team took part in a tournament at Seaton House. As netball captain, I think the team performed very well considering our school is very small compared to others. Everyone in the team tried their best and loved each match we played. All of the netball team, including the substitutes, played as great and everyone had a chance to play in a match. The team played five matches and enjoyed each one of them.

*Sahra, Captain*

The vast majority of parents dropping off or picking up park very 'courteously' and with due regard to our neighbours and to the safety of other road users and pedestrians. However, we ask that you do not park in front of driveways or on the yellow zig-zags outside the school.

Another issue is that some parents who may park up in suitable place leave their engine running for long periods of time. This causes unnecessary car fumes to be given off, which affects pedestrians. Please can we also ask that engines are switched off as soon as the car is parked. Thank you for your understanding in both these matters.
